Three repeats pays
4% of the Jackpot.**

**Four repeats pays
THE ENTIRE JACKPOT!**

**Note: This is NOT a 'Shared' prize.
EACH participant receives the indicated amount.**

Additional details on back.

Rules and Details:

Place bets by putting a \$1 token in the designated bet area, after the dealer announces "Place your bets," and before "No more bets."
No bets will be accepted for the Jackpot when the prior spin is a repeat.

A single \$1 bet can win \$20, \$250, 4% of the Jackpot, or the entire Jackpot, depending on the number of repeats that follow the bet.

A repeat is any time a spin results in the same number as the prior spin.

One repeat means a number has appeared two times in a row, and **pays \$20.**

Two repeats means a number has appeared three times in a row, and **pays \$250.**

Three repeats means a number has appeared four times in a row.

Three repeats **pays 4% of the Jackpot.**

Four repeats means a number has appeared five times in a row.

Four repeats **pays the ENTIRE Jackpot.**

All participating players will be paid the full payout amount.

Only the highest level achieved is paid.

Every spin with at least one player participating will increase the Jackpot amount by 16.5¢.

When a Level Three win is paid, the Jackpot will be reduced by the 4% payout amount.

When a Level Four win is paid, the Jackpot will be restarted at \$50,000.

Participating players will need to provide Identification and a player's club card prior to a Level Three or Four payout.
