Rules and Details:

Place bets in the designated area.

After the dealer announces "No More Bets," the dealer will spread a standard deck of 52 cards.

One player will be given a stylus, used to select three cards.

If any of the cards match the card rank(s) you selected, you win. The more cards that match, the more you win.

Optionally, a Bonus, 4 card and/or 3+3 card Jockpot sidebet is offered. For the bonus, the three selected cards will have a poker style hand. For the Jackpots, additional cards are added, enabling you to win the Jackpot, which could be progressive!
